

As part of the beautification and greening of the metropolis, **MMDA** also propagated and planted about 389,592 assorted plants along several locations in **Metro Manila**. These are along the center island of **Macapagal Boulevard**, **Boni Serrano Corner C-5**, **Quezon Avenue**, **Commonwealth Avenue**, and **North EDSA** to **Balintawak** and **EDSA**.

101 trees were balled out and transplanted in **Philcoa**, **Camp Aguinaldo**, **UP Village** and **Barangay West Kamias**.

MMDA has also undertaken regular landscape maintenance activities which include watering of plants, repair of damaged or dilapidated fixtures and street furniture, plant boxes, concrete sidewalk, gutter, U-turn slots and waterline replacement, repair of damaged tree guards, replacement of dead ficus trees, pruning/trimming of assorted trees and plants and grass-cutting along the major thoroughfares of **Metro Manila**.

Along the roadway, the Agency accepted donations of mahogany and narra tree seedlings from the **BuCor Love Foundation** led by retired Supreme Court Chief Justice **Reynato Puno** and Bureau of Corrections President **Cesar Guy**. An environmental lawyer, **Sec. Tolentino** will allocated these seedlings to the mayors and congressmen of **Metro Manila**.

As part of the commemoration of the 400th founding anniversary of the University of **Sto. Tomas**, **MMDA** assisted the **UST Arts and Letters Alumni Association** and the **Magkaisa Para sa Bayan** members to plant 400 seedlings along **Carlos P. Garcia Monument** along **C-5 Road**. The **MMDA** is also undertak-

ing regular activities like street sweeping, clearing of debris, flushing and cleaning of sidewalks, painting of street furniture and landscaping along major thoroughfares in the metropolis.

The Agency aims to utilize open spaces in **Metro Manila** by planting trees and building plant nurseries. Not only will this improve the façade of the Metro, it will also combat flooding and pollution.
