

Joint Project Report
Embody Seoul Declaration to Share
Policies and Measures
against Large-scale Disasters

June 30, 2012 ANMC21
Secretariat

Seoul Declaration (excerpt)

- Share our knowhow, technology and experience to prepare and ensure prompt response to disasters and effective recovery efforts
- Continue to undertake studies on more effective measures within the framework of our existing joint projects

Adopted at the ANMC21 Plenary Meeting in Seoul,
October 11, 2011

Measures by Joint Projects

Network for Crisis Management

Sharing measures, experience and lessons learned from huge disasters like earthquakes, floods

Countermeasures to Combat Infectious Diseases in Asia

Sharing technique to prevent infectious diseases in the afflicted area

“Welcome to Asia” Campaign

Sharing information on member cities’ best practices for recovery from natural disasters

Measures by Joint Projects (Cont'd)

Staff Capacity Enhancement Program

Workshop by the members of the Fire Rescue Task Forces engaged in the Great East Japan Earthquake

Finally,

Continue to tackle and solve our
common issues by using the
framework of the joint projects !

Thanks for your attention
