2014 Activities

➤ Enhancing website function

- **Member Access mechanism:** To allow member cities to upload materials onto the website to promote individual ICT initiatives.

➤ Free Wi-Fi Roaming Collaboration

- Collecting feedback of the “Wi-Fi roaming” survey

- ✓ **Get 4 cities' feedback :** Toyko 、 Singapore 、 Bangkok and Tomosk.
- ✓ **In order to get the most out of the feedback , Taipei city hope the Secretary to encourage the other member cities getting answer feedback for Taipei by July 2014.**

- Conducting intercity roaming plan

- To visit Singapore IDA on March and negotiate the intercity collaboration .

➤ To Launch the first stage of the FTTH service in Neihu, Nangang, Songshan, and Xinyi districts

THANK YOU
